This car was built by special order, and nothing was spared in its construction necessary to make it the model of durability, excellence and refinement. It is of the latest series, and, in addition to being fully equipped, has wire wheels, which give 70 per cent more tire mileage, electric starter, left-hand drive, centre control, electric lights all round (no oil lamps). Must be seen to be fully appreciated. For further particulars see DR. JOHN F. WINN, 5 West Grace Street, City.
